HOW IT WORKS

1 SET THE SCENE

On the first night, read **The Story of Twig** and his welcome letter together. Give your child their Official Elf Marker badge and a red pen.

2 HIDE THE HOMEWORK

Each night, hide that day's sheet somewhere silly. Use the 24 hiding spots on the next page. No elf toy needed!

3 YOUR CHILD MARKS IT

They tick ✓ what Twig got right, cross × what he got wrong, and write the correct answer. Then a comment, stars and a sticker.

4 TWIG IMPROVES

Day 23 is Twig's Big Test — and he gets everything right, because your child taught him. Day 24: your child writes Twig's report and awards his graduation certificate.

WHAT'S INSIDE

- ✓ The Story of Twig
- ✓ Welcome letter from Twig
- ✓ 23 homework sheets (Days 1–23)
- ✓ Graduation certificate
- ✓ Progress chart
- ✓ Answer key
- ✓ 24 silly hiding spots
- ✓ Teacher badge & promise
- ✓ Day 24: Twig's school report
- ✓ Christmas-morning letter
- ✓ 30 reward stickers
- ✓ Reuse every year

TIPS FOR MAXIMUM MAGIC

- Takes about **5 minutes** a day — perfect for breakfast.
- Not every answer is wrong! Some are right, so your child has to **check carefully**.
- Next morning, write a tiny reply from Twig: "Thank you teacher! I will practise!"
- Answer key for grown-ups is at the back.
- Print at **100% / Actual size** on A4. Print the stickers on sticker paper, or cut and glue.

Why it works: spotting mistakes and explaining the fix is one of the best ways children learn. And it is *very* fun to be the teacher.
